RISHI TEA

EARL GREY

Organic Earl Grey combines robust and fruity Thai black tea with mellow, caramel sweet Yunnan Dian Hong. This original blend perfectly complements the floral high notes of geranium and rose found in our first-pressing bergamot essential oil.

JADE CLOUD

Jade Cloud is a lively green tea that we created over a decade ago in collaboration with artisans at the Xuan En Organic Yisheng Tea Cooperative in the remote mountains of Hubei province.

CHAMOMILE MEDLEY

Our signature chamomile blend highlights golden Croatian chamomile blossoms that are masterfully paired with soothing herbal counterpoints of lemon verbena, lemongrass & spearmint.

MASALA CHAI

Classic style of black tea blended with traditional spices native to South & Southeast Asia. The tea base consists of a robust and malty assam balanced.

ENGLISH BREAKFAST

Highlights teas from Southeast Asia to produce Rishi's signature profile blend. The origins will vary from time to time, but the blend is always honed to brew consistently.

PEPPERMINT

Our pure peppermint leaves hail from the Pacific Northwest, where certain cultivars are prized as some of the most aromatic and potent in the world. We seek a specific strain of *Mentha x piperita* that offers a bright candy cane flavor.
